

Final Programme

IT Solutions for Public Transport
International Conference
and **Exhibition**

15 - 17 FEBRUARY 2012

KARLSRUHE
TRADE FAIR CENTER
GERMANY

Organisers:

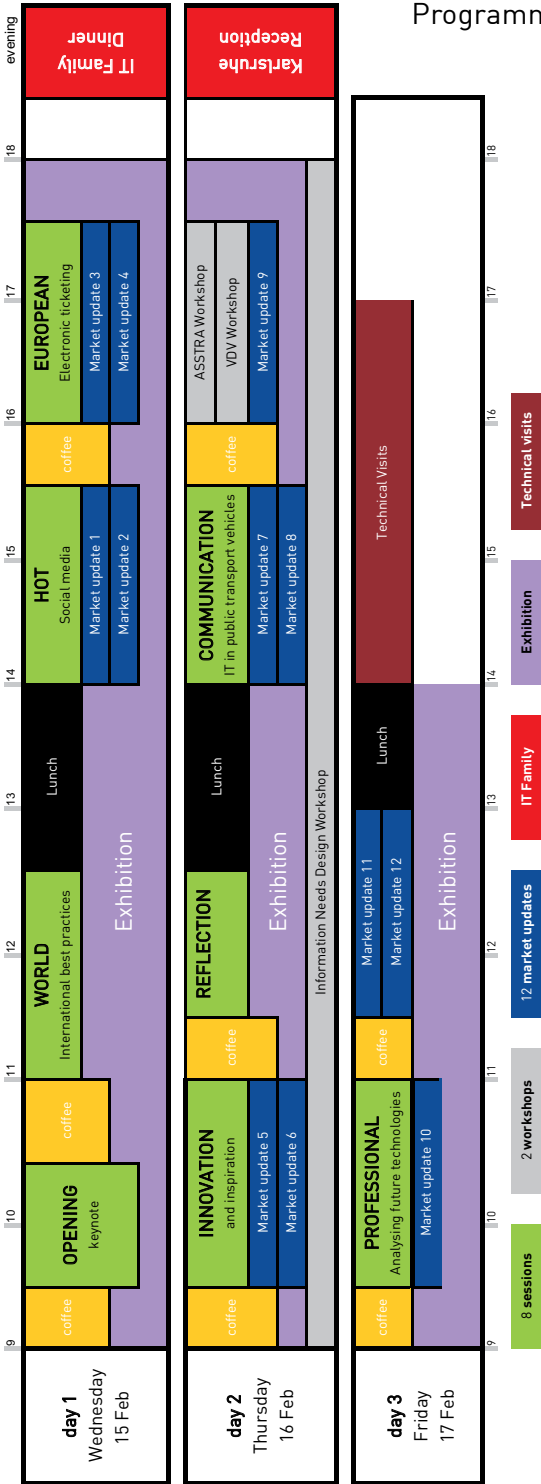

UITP
International Association
of Public Transport

CONNECTING IDEAS.
Karlsruhe-
Messen und Kongresse

Programme overview

- 8 sessions
- 2 workshops
- 12 market updates
- IT Family
- Exhibition
- Technical visits

> Coffee breaks	Coffee break area, hall 1
> Lunch	Restaurant for delegates, hall 1
> IT Family Dinner	Wednesday 15 February, 7.00 p.m. At AVG tram depot, Ettlingen Address: Im Ferning 17-21, 76275 Ettlingen Meeting point for shuttle service: 6.00 p.m., Karlsruhe Trade Fair Center, main entrance
> Karlsruhe Reception	Thursday 16 February, 7.00 p.m. At Schwarzwaldhalle, Conference Center Meeting point for shuttle service: 6.00 p.m., Karlsruhe Trade Fair Center, main entrance
> Technical Visits	Friday 17 February, 2.15 p.m. Meeting point for shuttle service: 2.00 p.m., Karlsruhe Trade Fair Center, main entrance

Conference registration desk

15 February: 8.30 a.m. – 6.00 p.m.

16 February: 8.30 a.m. – 6.00 p.m.

17 February: 9.00 a.m. – 1.30 p.m.

Exhibition opening hours

15 February: 9.00 a.m. – 6.00 p.m.

16 February: 9.00 a.m. – 6.00 p.m.

17 February: 9.00 a.m. – 2.00 p.m.

Speakers' room

1st floor

Conference language

English

Conference opening and sessions will be simultaneously translated from English into German / French / Spanish and vice versa.

General information

Phone: +49 721 3720-0
info@it-trans.org

09:30 – 10:30 | Entrance hall

Session 1 | **OPENING – Keynote**

Moderation: *Alessandra Gorini*, Youth Project Coordinator, UITP, Brussels, Belgium

• **Welcoming addresses**

Britta Wirtz, Speaker of the Management Board KMK (Karlsruher Messe- und Kongress-GmbH), Karlsruhe, Germany

Alain Flausch, Secretary General, UITP (International Association of Public Transport), Brussels, Belgium

Margret Mergen, First Mayoress of the City of Karlsruhe, Germany

Dr. Veit Steinle, Director-General, Environmental Policy and Infrastructure, Department Policy Issues, Federal Ministry of Transport, Building and Urban Development, Berlin, Germany

Representative of Dr. Peter Ramsauer, German Federal Minister of Transport, Building and Urban Development, Berlin, Germany

- **Opening address** from Siim Kallas, Vice-President of the European Commission, Commissioner for Transport, Brussels, Belgium, delivered by Max Strotmann, Member of the Cabinet, Brussels, Belgium

• **Keynote speech: The Incentive-Zone. How to seduce people to use more sustainable modes of transport**

Marcel Meeuwissen, Senior Consultant Mobility and Accessibility, City of Enschede, Netherlands

COFFEE BREAK

11:00 – 12:30 | Sessions room, hall 1

Session 2 | **World – International best practices**

Chair: *Frithjof Struye*, Senior Advisor, Scheidt & Bachmann GmbH, Mönchengladbach, Germany

- **Is there a best practice for journey planning? A survey of European journey planners reveals best practice in usability and fulfilling user demands.**

Birgitte Woolridge, Marketing Manager, Rejseplanen A/S, Copenhagen, Denmark

- **The latest IT systems to improve subway management of SMRT**

Su Min Hong, Manager, Seoul Metropolitan Rapid Transit Corporation, Seoul, Korea

- **A critical view on a promising EMV approach. To what extent is EMV a solution for interoperability, and is this only the beginning of true ID-based ticketing?**

Michael Leach, CEO, ITSO Limited, Milton Keynes, United Kingdom

- **Natural disasters and their impact on IT systems. Last March, an earthquake and subsequent tsunami hit Japan hard. We examine how it affected the railway IT system and what we must learn!**

Kazuhiko Aida, Deputy Director, East Japan Railway Company (France), Paris, France

LUNCH BREAK (hall 1)

14:00 – 15:30 | Sessions room, hall 1

Session 3 | Hot – Social Media

Chair: Stefania di Serio, UITP Chairwoman of Information Technology & Innovation Commission and Dirigente Sicurezza, Patrimonio, Innovazione, Umbria Mobilità, Perugia, Italy

- **Would you like to go on a social date? A simplified view on Social Media. How to connect to your customers and to have ongoing and worthwhile dialogues ...**

Ton Damen, Strategic Director and Founder of Strategic Stuff B.V., Amsterdam, Netherlands

- **Clear the line for Social Media. Implementation of Social Media by Wiener Linien (Vienna)**

Answer Lang, Head of communication, Wiener Linien, Vienna, Austria

Claudia Riegler, Content Manager Social Media, Wiener Linien, Vienna, Austria

- **Social Media – What’s all the hype about? Get to know your passengers and their expectations, drive customer engagement by anticipating, and optimize services through multichannel integration**

Philippe Guittat, Managing Director Public Transport, Accenture, Paris, France

- **VVS Internet and Social Media Activities**

Michael Terbeck, Head of Marketing Department, Verkehrs- und Tarifverbund Stuttgart GmbH (VVS), Stuttgart, Germany

14:00 – 15:30 | Forum A

Market Update 1

Chair: Bruno Pfeiffer, Business Development Manager, Qnamic, Hägendorf, Switzerland

- **VABdepot – The leading depot management system**

Stephan Fromm, Sales Department, Verkehrsautomatisierung Berlin GmbH, Berlin, Germany

- **Work assignment tools that improve employee satisfaction and meet company objectives**

Alain Martinais, Director of Marketing, GIRO, Montréal, Canada

- **Open Fare Payment Systems**

Michael C. Nash, VP Emerging Markets Transportation and Local Government Sector (TLG), ACS Solutions Switzerland Ltd., Bern, Switzerland

14:00 – 15:30 | Forum B

Market Update 2

Chair: Ralph Gambetta, Head of Promotion, Calypso Networks Association, Brussels, Belgium

- **Progress through standards – Standardised interfaces for PT-ITS systems**
Gustav Thiesing, Head of R&D Department, BLIC GmbH, Berlin, Germany
- **Convergence of services on new customer media**
François Guillaume, Technical Expert, Calypso Networks Association, Brussels, Belgium
- **New paradigm and innovative ATFC toolbox for multi-service, all-sized operators**
João Almeida, CBO, Card4B Systems S.A., Lisbon, Portugal
- **Multi-modal and cross-system passenger information**
Thilo Rotter, International Sales Manager, AEG Gesellschaft für moderne Informationssysteme mbH, Ulm, Germany

COFFEE BREAK

16:00 – 17:30 | Sessions room, hall 1

Session 4 | European – Electronic ticketing

Chair: Stenerik Ringqvist, UITP EuroTeam Expert (repr. Svensk Kollektivtrafik, Sweden), UITP, Brussels, Belgium

- **((eTicket Germany, overview and recent developments. The standard for electronic ticketing in public transport**
Sjef Janssen, Managing Director, VDV-Kernapplikations GmbH & Co. KG, Cologne, Germany
- **Calypso territory - A widespread standard for eTicketing that continuously evolves**
Ralph Gambetta, Head of Promotion, Calypso Networks Association, Brussels, Belgium
- **Turkey's innovative ITS solutions in public transportation. Where is Turkey in ITS, prepaid ticketing, EMV, and NFC payments?**
Güliz Öztürk, International Marketing Manager, Kentkart Ege Elektronik A.S., Istanbul, Turkey
- **ITSO and the EU-IFM Alliance. Implementing IFM across Europe**
John Verity, Chief Advisor, ITSO Limited, Milton Keynes, United Kingdom

16:00 – 17:30 | Forum A

Market Update 3

Chair: Emmanuel Schneider, Senior Manager Accenture France, Paris, France

- **Adjustment optimization – an enhancement of duty schedule optimization to secure 'uniformity' for similar operational situations**
Andreas Langenhan, Business Development Manager, IVU Traffic Technologies AG, Aachen, Germany
- **Smart (phone) technology leads to a new generation of bike sharing!**
Ton Kooymans, Director, Callock-mobility, Eindhoven, Netherlands
- **Improving operations and enhancing customer service with mobile solutions Lessons learned from selected European transport operators**
Alexander Throm, Business Development Manager, Appear, Kista, Sweden
Bruno Pfeiffer, Business Development Manager, Qnamic, Högendorf, Switzerland
- **Ticketing as a service: Open, easy, everywhere**
Emmanuel Schneider, Senior Manager Accenture France, Paris, France

16:00 – 17:30 | Forum B

Market Update 4

Chair: Stephen Bennett, Vice President & Managing Director, Clever Devices Ltd., New York, United States of America

- **Intelligent Bus Computing**
Stephen Bennett, Vice President & Managing Director, Clever Devices Ltd., New York, United States of America
- **Capitalise on AFC investments by kick-starting the NFC ecosystem**
Pier Aldershof, Managing Director Collis Pacific, Collis BV, Leiden, Netherlands
- **Selecting the best bill recycler for your operation**
Bassam Estaitieh, Product Manager, CRANE Payment Solutions, Concord, Canada

19:00

IT FAMILY DINNER
powered by

Thursday | 16 February 2012

09:30 – 11:00 | Sessions room, hall 1

Session 5 | Innovation and inspiration

Chair: Jarl Eliassen, UITP Honorary Chairman of the Information Technology & Innovation Commission and CEO, Trafikanten AS, Oslo, Norway

- **Auckland Integrated Fares System project – Regional extensibility: creation of a national central system covering multiple autonomous regional ticketing schemes**
Mick Spiers, Auckland Integrated Fares System (AIFS) Program Director, Thales New Zealand, Auckland, New Zealand
- **Let data speak. Tips and tools to use data for optimizing PT**
Luc van Wijngaarden, CEO, Zight, Leiden, Netherlands
- **'Ticketing as a Service', a new paradigm. Plus a brief update on NFC with BPASS: in operation in Nice, soon a pilot in Île-de-France...**
Dominique Descolas, Digital Services Director, Veolia Transdev, Paris, France
- **Nextcity: A vision for urban travel**
Martin Howell, Worldwide Marketing Communications Director, Cubic Transportation Systems, London, United Kingdom

09:30 – 11:00 | Forum A

Market Update 5

Chair: Jorge Vieira da Silva, President, Mobility, Ticketing and Applications, Brussels, Belgium

- **Digital video techniques for rail and surroundings**
Axel Heinrich, Business Development Manager, MOBOTIX AG, Langmeil, Germany
- **Total ITS applied**
Arnstein Engan, Sales and Marketing Manager, FARA ASA, Trondheim, Norway
- **Mobile Age – Passenger information of a new generation**
Dirk Esters, Head of Business Development, HaCon, Hanover, Germany
- **Mobility 2.0 - Examples and activities of the Rhein-Main-Verkehrsverbund (RMV)**
Marco Gennaro, Business Unit Manager Data and Distribution Management, Rhein-Main-Verkehrsverbund Servicegesellschaft mbH, Frankfurt, Germany

Step by step, we launch our social business @ my.uitp.org
Information Technology is our first mutual adventure

09:30 – 11:00 | Forum B

Market Update 6

Chair: Michael Gross, Head of Public Transport and Travel Business, EOS UPTRADE GmbH, Hamburg, Germany

- **Online and offline personalisation of e-tickets in accordance with VDV-KA with SAM cluster**

Michael Gross, Head of Public Transport and Travel Business, EOS UPTRADE GmbH, Hamburg, Germany

Christian Rommel, Head of Software Development, Systemtechnik GmbH, Sömmerda, Germany

- **GIS for improved operational performance in public transport**

Terry Bills, Transportation Industry Manager, ESRI, Redlands, United States of America

- **New prospects for AFC systems in Germany**

Nils Zeino-Mahmalat, Competence Centre for Electronic Fare Management (KCEFM), Verkehrsverbund Rhein-Ruhr AöR, Gelsenkirchen, Germany

COFFEE BREAK

11:30 – 12:30 | Sessions room, hall 1

Session 6 | Reflection

Introduction and moderation:

Alessandra Gorini, Youth Project Coordinator, UITP, Brussels, Belgium

Jürgen Greschner, CEO, INIT GmbH, Karlsruhe, Germany

- **Y4PT Youth Labs: learn what Y4PT is and meet a valuable team of young people co-creating innovative new projects drafts, aiming to support and innovate the PT industry to find new ideas!**

JOIN US IN SIGNING THE UITP YOUTH CHARTER TO RE-THINK PUBLIC TRANSPORT ALONG WITH YOUTH!

- **ITS for Public Transport at the European level. A review of policy achievements and next steps to make public transport smarter across Europe**

Pawel Stelmaszczyk, Head of Unit Intelligent Transport Systems, European Commission, Directorate-General for Mobility and Transport, Brussels, Belgium (tbc)

LUNCH BREAK

If you like IT-TRANS 2012, you will also like myUITP
Register on [myUITP](#) and get your **IT-TRANS** badge

14:00 –15:30 | Sessions room, hall 1

Session 7 | **Communication – IT in public transport vehicles**

Chair: Umberto Guida, Director of the European Bus System of the Future project, UITP, Brussels, Belgium

- **European Bus System of the Future – The IT platform conception for a new generation of urban buses and high quality systems**
Jean-Laurent Franchineau, Research Programs Director, Veolia Transport, Rueil Malmaison, France
- **Communications Solutions for Transport – How radio communications solutions can improve efficiency, safety and cost reduction for public transport organisations**
Hans van der Linde, TAIT General Manager - EMEA, Tait, Vienna, Austria
- **DMR versus TETRA – For four years, a new digital radio standard has been available. Is it an alternative to PT use?**
Kurt Stern, Traffic Telematics, Department Head, SWM GmbH/MVG, Munich, Germany
- **SECUR-ED, SECured urban transportation - European demonstration communications architecture supporting urban public transport security needs**
Steffonn Chan, Project Manager, Bombardier, Canada, representing the SECUR-ED project

14:00 – 15:30 | Forum A

Market Update 7

Chair: Klaus Janke, Key Account Manager, INIT GmbH, Karlsruhe, Germany

- **Achieving fully integrated ITS and AFC systems in public transport: case studies**
Tony Smith, Commercial Manager, VIX, Cambridge, United Kingdom
- **IProuter – The IP communication gateway**
Klaus Janke, Key Account Manager, INIT GmbH, Karlsruhe, Germany
- **Mobi Guider – The open platform for full end-to-end ITS**
Johan Rommelaere, Head of Marketing and Business Development, Prodata Mobility Systems, Zaventem, Belgium
- **Voice and data communication in public transport using public mobile radio and VoIP**
Claus Dohmen, Product Manager, IVU Traffic Technologies AG, Aachen, Germany

14:00 – 15:30 | Forum B

Market Update 8

Chair: Jürgen Fuchs, Director of Business Center, Indanet AG, Munich, Germany

- **Höft & Wessel presents the new approach to e-ticket controlling using a new generation of control handhelds**
Torsten Seipelt, Sales Director Almex, Höft & Wessel AG, Hanover, Germany
- **Modern IP network applications for public transport vehicles**
Jürgen Fuchs, Director of Business Center, Indanet AG, Munich, Germany
- **Using Banknote Recycling to minimise the cost of cash as part of your overall fare collection strategy**
Andrew Osborne, Marketing Director, MEI Inc., Geneva, Switzerland
- **Public transport navigation solutions**
Jean-Claude Degand, Managing Director, MOVIKEN-SLE, Biot, France

COFFEE BREAK

16:00 – 17:30 | Conference room 4 / 5 (2nd floor)

ASSTRA Workshop

Chair: Daniela Carbone, Head of Technological Innovations Department, ASSTRA, Rome, Italy

- **The ASSTRA's Survey on electronic ticketing system, infomobility and fare integration**
Daniela Carbone, Head of Technological Innovations Department, ASSTRA, Rome, Italy
- **IT on-board architecture and new opportunities for electronic ticketing: some news from Venice**
Roberto Cerruti, Information and Telematics Systems Director, ACTV S.p.A. Venezia, Venice, Italy
- **SIGE PROJECT: integrated system for operation management**
Luca Masciola, Co-Director Business Process Integration, ATAC S.p.A. Roma, Rome, Italy
- **ICT as a support for ticketing and infomobility management**
Roberto Andreoli, Chief Information Officer and Manager of Information and Technology Department, ATM Servizi S.p.A. Milano, Milan, Italy
- **Technology and innovation in motion. The mobility management with Intelligent Transport Systems in Cagliari**
Proto Tilocca, Planning, IT and Quality Manager CTM S.p.A., CTM S.p.A. Cagliari, Cagliari, Italy
- **IT for no pain on a peaceful trip**
Renzo Nicoloso, Business Process Re-engineering BPR, TRENORD S.p.A. Milano, Milan, Italy
- **Ibus... with QRCode**
Aldo Bernard, CIO, TT Esercizio S.p.A. Trento, Trento, Italy

16:00 – 17:30 | Sessions room, hall 1

VDV Workshop

Chair: Daniel Krings, Marketing and Communication, VDV-Core-Application GmbH & Co. KG, Cologne, Germany

- **Introduction of the eTicket in the capital of Germany**
Frank Büch, Head of Customer Relations Strategies and Innovation, Berliner Verkehrsbetriebe (BVG), Berlin, Germany
- **Feasibility study: In / Out Systems**
Oliver Waltes, Head of System Development, VDV-Core-Application GmbH & Co. KG, Cologne, Germany
- **A standard for travel information – IP-Kom**
Berthold Radermacher, Head of Standardisation, Research Coordination and Industrial Contacts Section, Association of German Transport Companies (VDV), Cologne, Germany
- **Organisational aspects of an interoperable eTicket system**
Klaus Hoffmann, Head of Procurement and Contract Management, VDV-Core-Application GmbH & Co. KG, Cologne, Germany

UTP Workshop

For this edition of **IT-TRANS** it was decided to have the UTP speakers integrated in the conference sessions.

16:00 – 17:30 | Forum A

Market Update 9

Chair: Arnstein Engan, Sales and Marketing Manager, FARA ASA, Trondheim, Norway

- **Increase in public safety and permanent cost reduction with Netro© BME**
Milica Radic, Product Manager, Nettropolis AG, Bruchsal, Germany
- **Moving contactless transit applications into NFC enabled smart phones to revolutionise the end users' on-the-move travel experience**
Martin Gruber, Segment Director, NXP Semiconductors, Gratkorn, Austria
- **DIVIS – Revenue Management easy and fast**
Frank Trolp, Geschäftsführer, Profics GmbH, Winterthur, Switzerland
- **Projektron BCS – ensuring your projects are on time and reliable**
Florian Sauter, Product Manager, Projektron GmbH, Berlin, Germany

19:00

KARLSRUHE RECEPTION

powered by

09:00 – 18:00 | Conference room 10 / 11 (2nd floor)

Information Needs Design Workshop

- **Opening:** Yo Kaminagai, Head of Design, RATP, Paris, France
- **Keynote Speech: Information design as an innovation leverage in public transport**
Giuseppe Attoma Pepe, Design Director at Attoma, Paris, France, Board Member IIID
- **Session 1**
 - Legible London Case Study
Tim Fendley, Partner, Applied Information Group, London, UK
 - Local maps system - Tokyo Metro
Naotsugu Koga, Manager, Business Department, Tokyo Metro Co. Ltd, Tokyo, Japan

- **Session 2**
 - Inclusive Design
Veronika Egger, IS Design, Vienna, Austria, Deputy Director IIID
 - Mobile brand and Interface Design –
MVG live: Case study for Munich Public Transport
Helmut Ness and Philipp Oehrlein, Fuenferwerken, Berlin, Germany
- **Session 3**
 - Social Media & Information Services: From 2.0 to 3.0
Marc Chataigner, Project Director, Axance, Paris, France
- **Session 4**
 - Transantiago case study: Design of a passenger information system for Santiago's public transport
Carola Zurob, Designer, School of Design, Pontificia Universidad Católica de Chile, Santiago, Chile,
 - Title tbc
Roland de Coster, STIB, Brussels, Belgium, and Jim Waters, Designer, Minimal Design Strategy, Brussels, Belgium
- **Round table**
 - Multi-modal trip planners: design challenges in mixing different mobility scales in the same user interface
Jonas Ask Homaa, Head of Development, Rejsplanen, Copenhagen, Denmark
Davide Serrault, Senior Information Architect, Voyages-sncf, Paris, France
Giuseppe Attoma Pepe, Design Director at Attoma, Paris, France, Board Member IIID
- **Session 5**
 - Passenger information design (EBSF station demonstrator)
Yo Kaminagai, Head of Design, RATP, Paris, France
 - Experimenting intelligent street furniture in Paris
Isabelle Mari, Strategic Marketing Director, JC Decaux, Paris, France
- **Closing Remarks**

Friday | 17 February 2012

09:30 – 11:00 | Sessions room, hall 1

Session 8 | **Professional – Analysing future technologies**

Chair: Paul Gwynn, UITP Chairman of IT & Service Industry Committee and Director Business Development, INIT GmbH, Karlsruhe, Germany

• **IP-COM**

Internet Protocol-based communication services in public transport

Jürgen Greschner, CEO, INIT GmbH, Karlsruhe, Germany

• **Intermodal Transport Control Systems (ITCS)**

Requirements for planning, operating and optimizing public transportation

René Zeller, Head of Business Development, Trapeze Switzerland GmbH, Neuhausen, Switzerland

• **Interoperability in complex ticketing – economically feasible?**

Ways to achieve interoperability without strong impacts on the existing base and huge investments in a relatively short time

Matthias Augustyniak, Managing Director, Scheidt & Bachmann GmbH, Mönchengladbach, Germany

• **Indoor navigation and orientation – Navigate inside stations + professional use cases (emergency/tracking/logistics)**

Sander van der Meer, Senior Manager Location Content North West Europe, Nokia (NAVTEQ), Utrecht, Netherlands

09:30 – 11:00 | Forum A

Market Update 10

Chair: Udo Steinmeier, Sales Manager DACHL, Trapeze Group Deutschland GmbH, Hamburg, Germany

- **Demand Response Service – the flexible way for public transport**
Udo Steinmeier, Sales Manager DACHL, Trapeze Group Deutschland GmbH, Hamburg, Germany
- **An open, standard approach for transit fare collection**
Laurent Cremer, Executive Director, OSPT Alliance, Munich, Germany

COFFEE BREAK

11:30 – 13:00 | Forum A

Market Update 11

Chair: Jürgen Kaiser, Vice President Transport Consulting, PTV AG, Karlsruhe, Germany

- **SMART-WAY: never get lost in public transport**
Olivia Ratajzak, Account Manager, the agent factory GmbH, Jena, Germany
Andreas Küster, Project Manager, Fraunhofer Institute IVI, Dresden, Germany
- **Eco-Driving: the magic triangle**
Volker Greitzke, International Sales Manager, Trapeze Switzerland GmbH, Neuhausen, Switzerland
- **Successful deployment of mobile ticket solutions in the Nordics**
Mikkel Børve, Sales Director, Unwire, Copenhagen, Denmark
- **Computer-based planning system to support workflow in a transit association**
Peter Mott, Director Support & Training, PTV AG, Karlsruhe, Germany
Marco Remy, Network Planner, Verkehrsverbund Rhein-Neckar GmbH, Mannheim, Germany

11:30 – 13:00 | Forum B

Market Update 12

Chair: René Rothe, Director Sales, PSI Transcom GmbH, Berlin, Germany

- **100% process optimisation at the depot**
René Rothe, Director Sales, PSI Transcom GmbH, Berlin, Germany
- **RFID low memory ticketing**
Tanja d'Intino, Sales/Export, RFIDentic, Kempen, Germany
- **Public Transport Intelligence: get the most out of your fare management system**
Jean Costantini, Senior Business Advisor, Thales, Brétigny-sur-Orge, France
- **SIPA – security-critical IP applications**
Reinhard Wegener, Director Technology Center, telent GmbH, Backnang, Germany

LUNCH BREAK

- **TECHNICAL VISIT 1:**

Visiting the east depot of the Karlsruhe local transport association (VBK)

- **TECHNICAL VISIT 2:**

Tour of the construction sites for the „combined project“ (combination of a tram tunnel in Kaiserstrasse and a road tunnel in Kriegsstrasse Karlsruhe)

- **TECHNICAL VISIT 3:**

Journey to Murgtal on a lightrail tramtrain of Karlsruhe Transport Association (VBK) [Karlsruhe Model]

Meeting point for shuttle service:

2.00 p.m., Karlsruhe Trade Fair Center, main entrance

SHUTTLE SERVICES

A bus shuttle service from selected hotels will be provided to the Karlsruhe Trade Fair Center! For further details please see timetables in the hotel lobbies and the foyer of **IT-TRANS**.

DIRECTIONS/SHUTTLE SERVICES

Bus shuttle service to/from the main station and selected hotels.

Central Railway Station – Trade Fair Center

Wednesday – Thursday

7.38 a.m. every 30 minutes until 11.08 a.m.

11.08 a.m. every 60 minutes until 5.08 p.m.

Friday

7.38 a.m. every 30 minutes until 2.08 p.m.

2.08 p.m. last bus shuttle

Trade Fair Center – Central Railway Station

Wednesday – Thursday

8.02 a.m. every 30 minutes until 10.32 a.m.

10.32 a.m. every 60 minutes until 6.32 p.m.

Only Thursday

Additional bus shuttle at 5.02 p.m. and 6.02 p.m.

Friday

8.02 a.m. every 30 minutes until 2.32 p.m.

2.32 p.m. last bus shuttle

Public transport

Take the S2 (suburban railway), travelling towards Rheinstetten. Alight at Messe/Leichtsandstrasse.

Main station: take line 6 (towards Daxlanden/Rappenwörth) or line 4 (Waldstadt) until you reach Europaplatz; change to line S2, travelling towards Rheinstetten. Alight at Messe/Leichtsandstrasse.
