

CALL FOR CO-LOCATED EVENTS

IT-TRANS

YOUR HUB FOR DIGITALISATION
IN MOBILITY

3 – 5 March 2026

Karlsruhe Trade Fair Centre
Germany

We are looking for interesting and innovative events that can take place as **co-located events** as part of IT-TRANS 2026. The call is aimed at organisers who would like to implement an event that is thematically relevant to the key topics of IT-TRANS and can create synergies with other activities on site. The aim is to enrich the programme with your project and offer participants a wide range of content in the field of public transport and mobility.

**We look forward
to receiving your
application and to
including your event in
our programme as a
co-located event!**

DETAILS ON THE CO-LOCATED EVENTS

TYPE OF EVENTS

Project presentations, workshops, seminars or panel discussions that match the context of IT-TRANS.

WE ARE LOOKING FOR PROJECTS THAT FOCUS ON THE FOLLOWING TOPICS

Autonomous Mobility / Cyber Security / Data and Interoperability / Digitalisation Concepts / DRT (Demand Responsive Transport) / Energy / HR & Skills / Management-related Topics / Passenger Information / Human-Centered Mobility / Planning & Operations / Smart City / Solutions for Rural Mobility / Ticketing / Vehicle Concepts

TIMEFRAME

The Co-located Events will be held during IT-TRANS 2026 from 3 – 5 March 2026.

VENUE

All events will take place at Messe Karlsruhe, Messe Allee 1, 76287 Rheinstetten.

CONDITIONS OF PARTICIPATION AND REQUIREMENTS

- The content of the event must match the aims and topics of IT-TRANS 2026.
- Co-located events should have a minimum size of around 20 participants and be highly relevant to the IT-TRANS target group.
- The project organisers should be able to manage the logistical organisation of their event on site themselves. We are happy to provide support in all matters relating to infrastructure and marketing via our social media channels and our event platform.

Take advantage of the hub by promoting your event in conjunction with IT-TRANS 2026.

You can also benefit from the existing networking opportunities and make contacts with other organisers and participants.

We offer professional logistical support during planning and on site as well as a comprehensive event platform to promote your project in advance.

THE APPLICATION PROCESS

1. SUBMIT YOUR APPLICATION

Fill in the PDF application form and send the completed application form by 13/12/2025 by email to:

julia.winger@messe-karlsruhe.de

2. INFORMATION REQUIRED

Please include the following details in your application:

- Event title and description of the project
- Event language (German or English)
- Target group and expected number of participants
- Short biography of the main speakers or organisers
- Details on logistics and required space

3. SELECTION CRITERIA

The selection of co-located events is based on relevance, topic, expected number of participants and level of innovation of the event.

You will receive feedback whether we can host your event **by 02.02.2026**.

FACILITIES

To organise your co-located event, we will provide you with a conference room **free** of charge, including presentation equipment such as a projector with screen.

We will also provide you with **free** seating furniture in your desired seating format to suit the event layout.

The appropriate conference room will be allocated to you based on the expected number of people. Our conference rooms are available in different sizes and can accommodate **up to 100 people** (depending on the seating option selected).

ACCESS AND CATERING

The organisers of a co-located event will receive a link with free exhibition tickets to invite participants.

Are you looking for catering for your event? Gauls Catering is at your disposal. Catering can be ordered individually. (additional charge)

Legal information: All co-located events must comply with the current security and data protection guidelines.

Liability: The event organisers are responsible for the implementation of their event.
