START
5 May 2025

CLOSING DATE
13 June 2025

THE TOPIC ...

› Must offer new added value for congress participants
  and either be highly relevant to practice or reflect
  the latest scientific findings

› Should either be highly innovative or the speakers
  should be recognised experts in the field

THE PRESENTATION ...

› Must not contain any company or product advertising

› Should focus on practical examples of implementation,
  so that companies are encouraged to suggest customers
  rather than their own employees

› **MUST** be given in English

› Should be presented freely and authentically by the speaker

WHERE CAN I SUBMIT MY PRESENTATION?

Please find the link to the registration tool on the IT-TRANS website:
www.it-trans.org/en/congress

Please **only use the platform** provided on the website for your submissions.
Unfortunately, submissions that reach us through other channels cannot be considered.

After expiration of the submission period, the **programme committee** will discuss
the acceptance of the submitted contributions into the programme structure.

Please note that the presentation must be made available
to the congress participants as a handout after the event.

Your submission is a paper with a **high scientific content** (Proceeding) and
an elaboration of at least 8 pages? Let us know and we will give you
the opportunity to publish it to our congress participants.
