FUTURE MOBILITY AWARD

Terms of Participation

Commitment of Participation:

Participation at the Future Mobility Award competition organized by Messe Karlsruhe, aen - automotive engineering network e.V. and Nahverkehrs-praxis/Fachverlag Dr. H. Arnold GmbH, hereinafter referred to as the operator or organizer, is free of charge and is governed exclusively by these conditions of participation.

Procedure of the competition

The period of application to the competition lasts until 31.05.2021 at 23:59. During this period, companies can apply for the competition.

Participation

To participate in the competition, it is necessary to complete and submit the registration form. Participation is only possible within the application period. Applications received after the closing date will not be considered in determining the winners. Only one submitted registration per company and/or participant will be entered into the competition. It is strictly prohibited to use multiple registrations to increase the chances of winning. Participation in the competition is free of charge.

Eligible participants

Companies (natural persons and legal entities operating as companies) that, in the case of natural persons operating as companies, have reached the age of 18 years, are eligible to participate. Participation is not restricted to members/customers of the organizer and does not depend on the purchase of goods or services. The companies must also meet the criteria stated under „Participation Authorization“.

Not eligible to participate in the competition are all persons involved in the conception and realization of the competition and employees of the Operator as well as their family members. In addition, the operator reserves the right, at its own discretion, to exclude persons from participation if there are justified reasons, for example (a) in the event of manipulation in connection with access to or realization of the competition, (b) in the event of violations of these conditions of participation, (c) in the event of unfair practices or (d) in the event of false or misleading information in connection with the participation in the competition.

FUTURE MOBILITY AWARD

Terms of Participation

Prize, notification and transmission of the prize

The following prize will be presented:

Main prize for the first place of the competition:
Future Mobility Award 2021 in connection with
a prize money of 5000€ (in words: five thousand
euros).

The winners will be determined after the closing
date by a jury decision in several rounds (final,
semi-final, etc.). If the competition is linked to a
task, only those participants who have correctly
completed the task will be selected by the jury.

The winners of the competition will be informed
about the prize in due course a separate email or
via video chat.

The prize will only be handed over to the winner or
the winner's legal representative(s). An exchange,
a self-collection as well as a cash payment of the
prize are not possible.

Any costs incurred for shipping the prizes will be
covered by the organizer. Any additional costs
associated with claiming the prize shall be covered
by the winner. The winner is responsible for any
taxation of the prize.

If the winner does not respond after two re-
quests within a period of 3 weeks, the prize can
be transferred to another participant

Termination of the competition

The organizer explicitly reserves the right to ter-
minate the competition without prior notice and
without giving reasons. This applies in to any
reasons that would disturb or prevent the compe-
tition from proceeding as planned in particular.

Data privacy

Participation in the competition requires the
submission of personal data. The participant
assures that the information provided by him/her
about the company/person, in particular compa-
ny name/first and last name and email address, is
complete, true, and correct.

The organizer points out that all personal data
of the participant will neither be passed on to
third parties nor given to them for use without
consent.

In the event of a win, the winner agrees to the
publication of his/her (company) name and re-
gistered office as well as photographs and video
material taken during the competition in the

Terms of Participation

advertising media used by the organizer. This includes the announcement of the winner on the websites of the operator and its social media platforms.

The participant may revoke his/her declared consent at any time. The revocation must be sent in writing to the contact details of the organizer provided in the imprint area. After revocation of the consent, the collected and stored personal data of the participant will be deleted immediately. In this case, however, participation is no longer possible.

Applicable law

Questions or complaints in connection with the competition should be addressed to the operator. Contact details can be found in the imprint section of the operator's website.

The competition of the operator is subject exclusively to the laws of the Federal Republic of Germany. There is no right to legal appeal.

Salvatory clause

If any provision of these Terms and Conditions of Participation is or becomes invalid in whole or in part, this shall not affect the validity of the rest of these Terms and Conditions of Participation. Instead of the invalid provision, the legally permis-

sible provision that comes closest in economic terms to the meaning and purpose expressed in the invalid provision shall apply. The same shall apply in the event of a regulatory gap in these Terms and Conditions of Participation.

Submitted Material

Declaration:

The submitter hereby declares that the information provided as well as other copyright holders of the submitted material (photos, texts, images, films, etc.) are complete and correct. The submitter also declares that he/she has the right to dispose of these materials freely and to leave them to the competition organizers for use in connection with the Future Mobility Award. This applies in particular to the publication of image material related to the competition, e.g. documentation and public relations.

The submitter further ensures that the use of the submitted material does not affect the rights of third parties. As well as confirms that they are in possession of corresponding rights of use for the submitted photos and concept documents. Also that they have the right to dispose of them in the context of participation regarding the „Future Mobility Award“.

If, through the use of submitted material, in particular through the publication of submitted photo and concept documents - contrary to the expressed assurance of the submitter - any rights of third parties are violated or corresponding claims of third parties are asserted against the organizer, the submitter must release the organizers of any damage and expenses arising therefrom upon initial request.
