

> PROGRAMME AT A GLANCE

We are busy preparing an exciting programme at IT-TRANS, that focuses on the real challenges the sector faces. We look forward to welcoming the public transport sector back to Karlsruhe. A selection of sessions will also be available for access online.

● PLENARY SESSIONS

These are unmissable sessions. Led by high-level speakers discussing transversal and major topics. Capture the vision of the sector. **Conference ticket holders only.**

● PARALLEL SESSIONS

Focused on specific topics – take a deep dive into the issues that matter most to you. **Conference Ticket holders only.**

● MARKET UPDATES

Discover the latest innovations and products. Presented by IT-TRANS exhibitors.

● E-POSTER SESSIONS

Bridging the gap between research and practitioners! This format aims to provide an interactive and personalised approach to participants to learn about new trends in research from a wide range of stakeholders.

● WORKSHOPS

Practical sessions in small groups for greater focus and interaction. **Conference ticket holders only.**

● SOCIAL & NETWORKING EVENTS*

● TECHNICAL VISITS

Conference Ticket holders only.

*Access included with a conference ticket. Other ticket holders may purchase an upgrade.
