Lecture registration Market Update Forum

The Market Update Forums have been created in order to ensure interaction between the **IT-TRANS** conference programme and the exhibition. These sessions offer exhibiting companies and institutions the opportunity to present latest innovations and products. **IT-TRANS** conference delegates and exhibition visitors thus have the unique possibility to learn more about recent technological innovations and business development opportunities. The Market Update Forums are centrally located on the exhibition floor.

Every exhibitor may apply for **one** presentation slot before **16 October 2020**. After this deadline, the selection process will commence.

REGISTRATION

As an exhibitor, we herewith register the following company presentation within one of the IT-TRANS Market Update Forums.*

Lecture title (duration: 20 minutes)

Brief description of contents presented:

Please note: Only presentations referring to products, technologies and equipment exhibited at **IT-TRANS** will be accepted. Selected papers must be presented in the English language.

Speaker:

Surname: _____

First name: _____ Acad. Title: _____

Job title: _____

Address: _____

E-mail: _____ Phone: _____
